

# **New Bedford's Cold Weather Overflow Shelter Activated Through Feb. 4**

According to the Homeless Service Provider's Network, New Bedford's overflow shelter will be activated through Saturday, February 4th"

"Given the severity of cold weather and current at-capacity occupancy at the Sister Rose shelter at 71 Division Street, it is anticipated that the overflow will be activated through Saturday, February 4th. Registration is from 1pm to 3pm and transportation is immediately after so please plan accordingly as we can only accommodate 30 individuals."

# CWOS

**Activated tonight:**

## **NB Cold Weather Overflow Shelter**

Due to weather conditions, the New Bedford overflow shelter will be opened today. Transport will be at 3pm.

Registration is from 1pm to 3pm at Sister Rose House and transport begins immediately after.

**It is first come, first serve with a capacity of 30 individuals** who are at least 18 years of age.

The warming center at PAACA is open from 4pm to 8pm.
