

New Bedford's Haskell Gardens "Spring Plant Sale" starts May 11th

Spring has sprung! It's time for you to get your gardening tools ready! Spring is here and that means it's time plant your flower garden.

Haskell Public Gardens is always ready to get their hands dirty, and what better way to start the season off is with some new plants?!

If you love a deal, you won't want to miss Haskell Public Gardens 5th annual spring plant sale! The event is **FREE** and open to the public. This year's selection will feature time-tested Haskell favorites, hot new cultivars, with a special focus on edibles, pollinator-friendly, and native plants! Trustees staff members and volunteers will be on hand to answer your questions.

If you are a Trustees member you automatically get 10% off. Not a member? You have more incentive than ever to sign up on May 11th because all new members will receive 20% off! And even further incentive is that members get a special preview an hour before the sale opens to the general public: for you doors open at 9:00am!

RSVP to the event on Facebook [here](#).
