

City of New Bedford's seasonal street-sweeping program to kick off

"The City's seasonal, Spring to Fall street-sweeping program starts Thursday, April 7.

The program runs until November, with sweeping on designated streets every Thursday night into Friday morning. During designated sweeping times, parking will be prohibited within the posted areas to allow sweepers full access to curbs. These focused areas of sweeping are in addition to the regular weekly schedule of street-sweeping on the City's main thoroughfares.

Failure to move cars will result in towing. The City's Department of Public Infrastructure is installing signs and placing flyers door-to-door on two new sweeping areas this year:

- North Street, from County Street to Rockdale Ave
- Acushnet Ave, from Nash Road to Brooklawn Street

The following locations will operate on a bi-weekly schedule:

First and third Thursday of the month:

- Dartmouth St. from Matthew St to Allen St.
- Kempton St. from Rockdale Ave. to Sixth St.
- Mill St. from County St. to Rockdale Ave.

- Rivet St. from Route 18 to Hemlock St.
- Cove Road – from Brock Ave to the town line
