

New Bedford's popular South End Halloween Community Costume Parade returns!

"SAVE THE DATE:

The Committees to Elect Ian Abreu and Ryan Pereira, the Clark's Point Neighborhood Association and the New Bedford Firefighters IAFF Local 841 are proud to announce that the very popular South End Halloween Community Costume Parade will be returning after a two-year hiatus.

WHEN: Monday, October 31, 2022 at 6 p.m. sharp (Halloween Night)

WHERE: Hazelwood Park step-off, down Brock Ave., where we will all congregate at Clegg Field for our march around the diamond.

This will be a great event for the youth of our community, where they'll be given candies, treats, hot cocoa and prizes for the best costumes. Participating children will also be able to climb onto a New Bedford Fire Department fire truck apparatus, too!

We will be creating a formal Facebook event page over the coming days, but we wanted to make sure everyone knew of this event as early as possible so you could mark it down on your calendars." -Ian Abreu.
