

New Bedford's "The Vault Music Hall & Pub" at Greasy Luck closes their doors

"ANNOUNCEMENT: The Vault Music Hall will be closing down effective immediately.

We're working with the agents for all of the bands that were scheduled over the next several months to see if we can get the shows moved to other venues within the region, so keep an eye out for announcements regarding that. All tickets for future shows will be refunded over the next few days.

The Pub side will be closing down as well, with tentative plans to reopen under a new concept. Further details will be released as that progresses along with time frames on when we plan to reopen. Gift cards will still be honored upon reopening.

We want to thank everybody who has supported us as a live music venue featuring some of the best entertainment that has ever been brought to this city. It's been a fun ride!" -The Vault Music Hall & Pub.
