

New Bedford's Waterfront Historic Area League (WHALE) to restore historic Hillman Street Firehouse

WHALE is excited to announce one of our new restoration projects: The Hillman Street Firehouse, located at 109 Hillman Street.

The building was slated for demolition, but WHALE has taken on this project to restore and rehabilitate the historic Engine No. 5 House into nine residential units for community housing, including three market-rate and six affordable units."- Waterfront Historic Area League (WHALE).
