

New Bedford's Zeiterion Theater postponements extended through April 30

For the health and safety of our audiences, artists, volunteers, and staff, we recently announced performances through March 31 were postponed or cancelled. To comply with the new CDC guidelines, we have extended the date for postponements and cancellations through April 30.

If you have tickets to a performance, event or class before April 30, you'll receive an email about next steps. For now, we have been able to reschedule some performances and are actively working to reschedule others. See the full list below.

Like all nonprofits, The Z relies on its patrons, members and donors who are the heart and soul of our mission to bring people together to experience the magic of live performance. With this pause in revenue, your support plays an even bigger role.

How can you help?

You can make a tax-deductible contribution, become a member or buy a gift certificate. If you can't make a rescheduled performance please consider gifting your tickets to a friend, exchanging them for another performance, or donating them back to The Z.

We thank you for your continued support and understanding during these challenging times.
