

# **A message from New Bedford's Zeiterion Theater about upcoming performances, school-time shows, classes and events**

"For the health and safety of our audiences, artists, volunteers, and staff, we have decided to postpone or cancel all performances, classes and events through March 31.

We understand that many of you had concerns about gathering in a large group. We share those concerns and are taking the precautions necessary to stem the tide of this virus. For updates, please visit [www.zeiterion.org/coronavirus-update](http://www.zeiterion.org/coronavirus-update).

If you are attending a performance, event or class in the month of March, you'll receive an email about next steps. Right now, we are working with artists and their representatives to evaluate all our options, and will keep you informed as the details emerge.

We thank you for your continued support and understanding during these challenging times. Like all nonprofits, The Zeiterion Performing Arts Center is dependent on its patrons, members and donors who are the heart and soul of our mission to bring people together to experience the magic of live performance.

Wishing everyone good health,  
-Zeiterion"
