Buzzards Bay Area Habitat for Humanity's mission is to bring people together to build homes, communities and hope. Buzzards Bay Area Habitat for Humanity is not a give-away program! We offer a hand up to families with a dignified approach that enhances their pride in ownership. We help provide homes to working families who struggle to pay rent or mortgage payments in our community.

Homes are built with volunteer labor and donations of money and materials, as well as, 300 sweat equity hours the Habitat family invests into building their own home. Homes are sold to partner families at no profit and are financed with affordable, no-interest loans. The mortgage payments are reinvested in the affiliate enabling us to serve our most vulnerable neighbors.
