

Lost 'Operation Enduring Freedom' flag makes its way back to Lakeville after 9 years

"The Long Road Home...

This American Flag was flown during Operation Enduring Freedom by an FBI special agent over Bagram Air Field, Afghanistan, on April 30, 2014.

The flag was designated for delivery to the Lakeville Fire Department. Somewhere along the way, the flag lost its way. Nearly 9 years after being flown, the flag has made it home.

Thanks to Chief Tim Collins of Truro Fire Department for passing the flag on to Chief O'Brien.

As you read this post please take a minute to remember the sacrifices of so many; endeavor to be worthy of their service to our nation." -Lakeville, MA Fire Department.

This flag was flown in the face of the enemy. It is a shining beacon of light that represents American resolve and bears witness to the destruction of the terrorist and criminal forces threatening the United States of America and the free world. Let it be known that this flag flew over the FBI Command Post, Bagram Air Field, Afghanistan during OPERATION ENDURING FREEDOM on this 30th day of April, 2014
