

# **OPINION: “Buttonwood Park is being abandoned: worst I’ve seen it in 20 years.”**

“What in hell’s blazes is going on with Buttonwood Park!? In over 20 years that I’ve lived in the area I have never seen it look this bad!

First, it was an issue with dead fish and now are they just abandoning the whole park? This place looks horrible. I can’t even bring my grandson here because I’m afraid of ticks or whatever else is in this long grass!” Nadine
