

Oyster Aquaculture in Dartmouth

Thursday, August 25, 6:30pm- 7:30pm

Lloyd Center Bond House classroom (lower level)

PRESENTERS

Town of Dartmouth: Harbormaster Steve Melo

Padanaram Oyster Farm: Owner Steve Caravana

Lloyd Center for the Environment: Education/Outreach Director
Liz Moniz

Tabor Academy Oyster Farm: Nautical Science Chairman Captain
Dave Bill

Folks of all ages are encouraged to join the panel of presenters for an informative and collaborative program about the commercial, scientific, environmental, and educational benefits of growing oysters.

The panel will present from their project perspectives.

For more information, contact Liz Moniz at:
liz@lloydcenter.org or 508-990-0505 x 15.

Price: Free Limit: 50
