

Record Breaking Powerball Jackpot Delayed Due to “Glitch”

BREAKING:

Powerball says “The winning numbers and recorded video of the drawing will be posted to <http://Powerball.com>.”

Powerball released the following statement:

“Tonight’s Powerball drawing has been delayed due to a participating lottery needing extra time to complete the required security protocols. Powerball has strict security requirements that must be met by all 48 lotteries before a drawing can occur.

When the required security protocols are complete, the drawing will be performed under the supervision of lottery security officials and independent auditors.

The winning numbers and recorded video of the drawing will be posted to the Powerball website and YouTube channel.

We apologize for the delay.”
