

Remarkable young man uses his birthday to raise funds for the Fairhaven Animal Shelter

“Please join us to thank Reese Williams! He recently celebrated his birthday and told everyone that attended to bring either money or supplies for our shelter.

Not only did he bring us several bags of food he also donated \$160!!! I told him that our community would make him famous so lets share this and post your appreciation.

Did I mention that they drove all the way from Falmouth?!” - Fairhaven Animal Control and Shelter.
