

Rochester Fire Department travels 22 days, 1,600 miles to honor line of duty deaths, those who perished in the 9/11 attacks

Mission Complete: Lt Kevin Richard and the Brotherhood Ride Team completed their mission of 22 days from Naples, Fla to Ground Zero, NYC riding to honor line of duty deaths from 2020 in Florida and to honor all of the men and women who died as a result of the attacks on 9/11.

The team traveled over 1600 miles, climbed over 38,000 feet of elevation with over 103 hours of riding time. The honor stops and ceremonies at ground zero were incredible and it was a complete honor to ride in memory of all the 9/11 heroes and the 26 heroes of Florida.

We congratulate Lt Richard and the entire Brotherhood Ride team for their amazing commitment, dedication and true grit in completing this incredible mission. Defining the meaning of "Never Forget" honoring our fallen heroes and supporting the families, friends and co-workers left behind." -Rochester Fire Department.
