

School On Wheels in need of volunteer tutors in New Bedford!

Make a difference in your community!

Become a Volunteer Tutor! No matter your profession, you can make a difference in the life of a student who has been impacted by homelessness in New Bedford, Brockton, Stoughton, or Norwell.

During our mandatory two-part training session, we will prepare you for an amazing one-on-one tutoring experience with a student in grade K-12. You will meet with the same student each week to help reinforce grade level learning skills, work on school projects, and help boost his or her self-esteem. You will serve as a mentor and positive adult role model for the student, and help them realize their full potential!
