****Breaking News****

From the Fairhaven Police Department:

****Search Update****

Kenny has been located! He is in good condition and safe at this time. He was found in a vehicle he sought shelter in. Our sincerest gratitude goes out to all agencies and citizens that helped bring this search to a successful conclusion.

This is the best possible conclusion to a terrible situation; the collective sigh of relief in the community is palpable. Thank you everyone for sharing the posts and helping spread the word and a special thanks to local law enforcement and all the citizens that volunteered to look for him.
