

Shark Tank holding open casting call in Somerville on July 17

Attend an Open Call where you will be given the opportunity to do a 1-minute pitch of your business/product/idea to a member of the Casting Team – just like you would as if you were on the show. Come prepared to wow and dazzle us. Be advised: security may check your bag and you are responsible for your own parking. We do not validate. To apply at an Open Call you must have a completed Application Packet. **Download the Application HERE** and bring it with you. Please take the time to complete it fully and legibly.

All Open Calls are open to the general public. As long as you arrive during the allotted “Numbered Wristbands Distributed” time and receive a wristband you will have the chance to pitch. There is no reason to camp out the night before. Please be respectful of the neighborhood in regards to trash and noise. If you have any questions please email us at casting@sharktanktv.com. We will get back to you as soon as we can. Please do NOT call the venue.

OPEN CALL NOTES:

- You will have time to go back to your vehicle after you receive your wristband to get any large or bulky props or equipment.
