

South Coast Discounts Coupon Manager

In today's terrible economy we can all use discounts to our  favorite restaurants, bars, hotels, fitness centers and other local businesses. New Bedford Guide (<http://www.newbedfordguide.com/>) is proud to announce our newest **South Coast Discount Coupon Manager** (<http://www.newbedfordguide.com/discounts/>) that allows users to browse coupons by category, print out the ones they want, set up a subscription to get e-mailed new coupons as they are uploaded, and much more. While the **Coupon Manager** is intuitive, here is a walk through of the system so users can take full advantage of all the features.

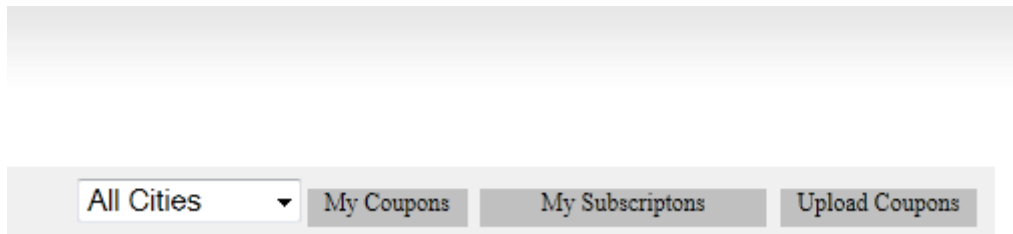

South Coast Discounts Coupon Manager Walk-through

First, you will want to register (<http://www.newbedfordguide.com/wp-signup.php>) with **New Bedford Guide** so you can manage coupons and get e-mail notifications of new coupons in the categories you subscribe to. Non-registered users can still browse and print coupons.

At the top left of the coupon manager there is a **Help** section and a Search box.

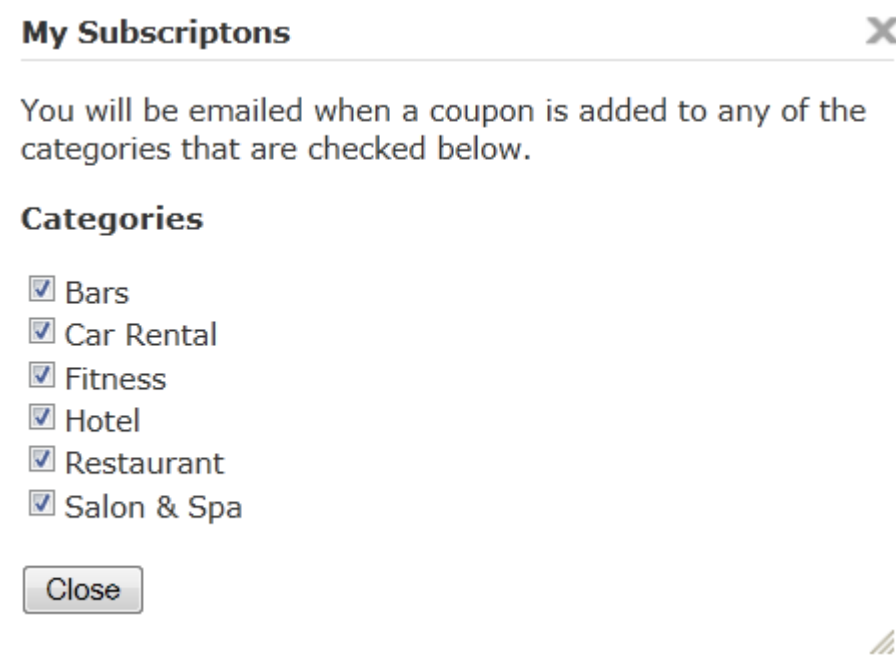

To the right of the search/help section is the user management area.

A navigation bar with a dropdown menu on the left showing 'All Cities' with a downward arrow. To the right of the dropdown are three buttons: 'My Coupons', 'My Subscriptions', and 'Upload Coupons'.

Here registered users can **filter their browsing by city** and **manage their subscriptions**. When you find a coupon you like you can **print** it or click the **'Add'** button (just under the coupon) to add the coupon to your queue. After adding coupons to your queue, click on the **'My Coupons'** button to print all the coupons that have been added. Click on **'My Subscriptions'** to subscribe to specific categories. Once subscribed, you will get an e-mail any time a coupon is uploaded to your subscribed category.
