

South Coast Rail public information meeting set for Sep. 17 in New Bedford

MassDOT/MBTA and the City of New Bedford are hosting a Public Information Meeting on the South Coast Rail Project at the Keith Middle School Auditorium (225 Hathaway Blvd., New Bedford, MA) for residents of New Bedford on Tuesday, September 17, starting at 6:00 PM.

The South Coast Rail project team will present a project update, a discussion of the benefits of the service, and the new location for North New Bedford Station. The City will also discuss its planning program around the station areas. Similar meetings will be scheduled in other communities as the project advances.

For more information about the South Coast Rail Project, visit www.mass.gov/SouthCoastRail.
