

# Southcoast Health Has Multiple Locations For Walk Up Vaccine Appointments This Week

## **Protect the South Coast: Don't Wait, Vaccinate!**

The time is now. It's never been more important to get your COVID-19 vaccine. The impact of the pandemic on our lives, our work, our activities, and our community has affected us all. *All available vaccines are safe and effective – get yours now, conveniently and with no cost, at a clinic near you.*

As a reminder, COVID-19 vaccine walk-up clinics are here and you do NOT have to be a Southcoast Health patient.
