

New Bedford Guide Seeks Sponsors for Pet Portal

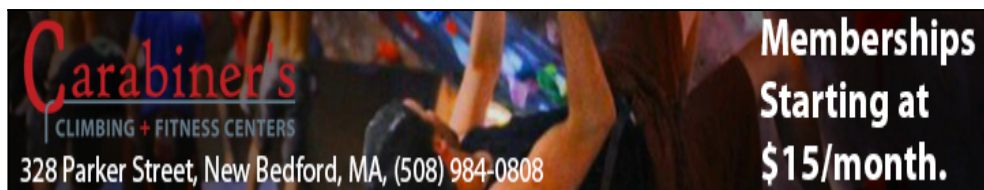

New Bedford Guide is a major lover and supporter of animals in the Greater New Bedford area. We help reunite over a dozen lost pets each month with their owners through our popular New Bedford Guide (facebook.com/NewBedfordGuide) and New Bedford Pet Detective (facebook.com/nbpetdetective) Facebook Pages. We are also a strong advocate for dogs living in local animal shelters, so we have developed our Pet Portal (newbedfordguide.com/map-page#pm_pet_tab) to help reduce the time animals spend in the shelters.

Our pet portal pulls data from 45 animal shelters within 60 miles of New Bedford and presents the shelter data and pets available at the shelters in a list or map view. We also offer a search and subscription service for people looking for a specific animal. The Pet Portal is FREE of charge with the hope of reducing the amount of dogs in each shelter. We are looking for local sponsors to support this portal by purchasing a large banner on the Pet Portal for \$100 per month. You help support a great cause and also get your business in front of 10s of thousands of people that use our pet portal.

There are two banner options:
