

St. Anne's Credit Union Announces The Lending Center in Plymouth

St. Anne's Credit Union's Board of Directors and senior leadership team are pleased to announce the upcoming opening of The Lending Center at 55 Long Pond Road in Plymouth, MA on September 13. Marking the tenth location for St. Anne's, the Credit Union's footprint covers a large portion of the SouthCoast and will conveniently serve the lending needs of Plymouth and Barnstable Counties with The Lending Center in Plymouth.

Eileen M. Danahey, St. Anne's President & CEO expresses her excitement. "Making financial dreams come true since 1936, we're proud of our reputation as a top-rated credit union – so we're thrilled to be bringing this convenient location to serve an even larger geographical area. The opening of this upgraded facility exemplifies our understanding that when it comes to banking services, value and convenience are critical. We're looking forward to showing people why St. Anne's is not your average financial institution, and how we can partner with them to achieve their financial goals by providing them the tools to make better informed financial decisions."

Carlos DaCunha, St. Anne's Senior Vice President and Chief Lending Officer, says, "Our service was described by one of our business clients as "providing a friendly, hometown feel with big bank capabilities" – and we think that describes us perfectly. The benefits of banking with us are numerous, as we are able to offer lower rates on loans and local decision-making which results in quicker turnaround times. We're not just a bank, or a lender, we are truly a financial partner that takes the time to walk people through all the steps to success. The Lending Center will present an

opportunity to speak with lending experts offering free pre-qualifications, money-saving refinancing options and financial tips – enabling people to leverage the St. Anne's Local Lending Advantage on an extensive array of consumer and commercial products and services."

In celebration of The Lending Center's opening, St. Anne's is offering several limited- time special offers and FREE Lunch & Learns to the community in an effort to empower people in becoming more financially literate. To learn more about how St. Anne's can help you achieve your financial goals, or for more details including their Grand Opening special offers and free events, visit stannes.com/Plymouth or call 508.730.LOAN.
