

# **St. Anne's Donates \$50,000 to Bristol Community College's Health and Science Building**

St. Anne's Credit Union continues their commitment to the SouthCoast community with a \$50,000 total pledge to the College's John J. Sbrega Health and Science Building, where a clinical conference room is named in honor of the Credit Union's support.

"St. Anne's Credit Union is a proud supporter of Bristol Community College, as the college provides students a quality health and life science education with sustainable operations. St. Anne's is honored to support initiatives that align with our own philanthropic objectives of providing education and financial stability to people in the SouthCoast community and we admire their work and diligent efforts to improve the community around us," said Michelle Marcos, Senior Vice President of Human Resources at St. Anne's Credit Union. "We are proud of our partnership with the college, as 10% of our staff are graduates of Bristol. We continue to add more graduates to our team by participating in Bristol's job fairs and supporting their convenient and flexible fast track degree program."

St. Anne's Credit Union is very active in the communities in which it serves and is proud to partner with local organizations to create a positive impact. Founded on the philosophy of "People Helping People", our institution has maintained its original commitment, keeping the compassion we have for our community at the very heart of St. Anne's. We're a local financial institution focused on giving back, reinforcing our motto "We're Making a Difference" every single day.
