Residential Counselors – Fall River & Plymouth

Positions are immediately available as well as for summer employment to work with latency aged and adolescent youth; full, part time and relief positions available on all shifts within our campus and community based living environments; responsibilities include teaching daily living, social and recreational skills to adolescent youth; implementation of therapeutic interventions and support plans. Previous experience with children/adolescents preferred; High School diploma required. A valid driver's license is required for all positions.

Clinician

Full time salaried opportunities are available for Saint Vincent's community-based behavioral health programs and mental health clinic serving children, youth, and families; Responsibilities include strengths-based assessment and treatment planning; clinic, home-and community-based individual and family therapy; communication of clients' progress through case review meetings and case record documentation; on-call clinical support of program. Flexible schedule includes late afternoons/ early evenings. Clinical master's degree required; LMHC or LICSW preferred; one to two years related experience with children, adolescents, and transitional age youth required.

Staff Supervisor

Significant professional development opportunities are available to help you learn and grow. Full time position is available within our Residential Program for adolescent youth. Flexible schedule includes second shift hours and weekend shifts. Responsibilities include implementing therapeutic interventions, ARC based activities and support plans; teaching daily living and social skills; coaching and mentoring direct care staff; implementing program initiatives, goals and objectives. Candidate must have understanding of trauma informed care, capacity to role model complex concepts related to ARC Philosophy and Safety-Care, ability to lead and motivate a team, and work in a strength-based manner with youth and families. Excellent written and verbal communication skills are required. Associate's or Bachelor's degree is preferred with minimum 1 year related experience in a residential program.

We encourage Spanish and Portuguese speaking individuals to apply. We seek culturally competent, strengths-oriented personnel who possess an understanding of our communities served. St. Vincent's is an AA/EOE and a COA Accredited Agency. A valid driver's license is required for all positions.

Saint Vincent's SERVICES

Saint Vincent's is a COA Accredited Agency and an equal opportunity employer offering competitive salary and benefits. Visit: www.saintvincentservices.org for more information.

Treatment. Care. Transformation.

At Saint Vincent's, we are committed to helping the children, youth and families of Southeastern Massachusetts achieve positive change and build healthy relationships through holistic, compassionate, individualized care.

Benefits

All employees accrue paid sick time. Part time employees who work twenty or more hours are eligible for benefits, including health, dental, & vision insurance, fully-paid short-term disability & life insurance, holidays, 403B plan with employer match, tuition assistance, dependent care assistance, wellness benefit, sick time, and vacation/personal time off. Professional development opportunities and supervision for licensure provided. \$500 Sign-On Bonus after one year of employment, with two payments of \$250, one after the first 6 months and one after the year. Bonus payments are contingent upon employee performance.

Training

All direct care staff receive comprehensive orientation and training on the Agency's philosophy of care, program expectations and appropriate interventions with youth. Saint Vincent's utilizes the ARC(Attachment, Self-Regulation and Competency) model as a framework for intervention with youth and families who have experienced multiple and prolonged traumatic stress. Saint Vincent's also use the Safety-Care model which teaches how to implement interventions with trauma-involved clients.
