

Students from St. James-St. John School share creative science and Thanksgiving projects

Above: Students in grade 6 from St James-St John School worked cooperatively on creating a space vehicle that will explore a planet in our solar system. Along with creating and building, they will be writing an essay describing their space vehicle and the features it explored in outer space.

Students in Kindergarten and grade 7 work together on a Thanksgiving project.

Students in Pre-K and grade 5 prepare Thanksgiving bracelets.
