

D.A. Sutter's FREE Basketball Clinics

Boys and Girls Invited!

On Saturday November 8th at the New Bedford High School Gym in New Bedford, we will be conducting a free basketball clinic for all New Bedford youth Grades 2-8. This is a chance to get out on the basketball court with some friends and learn some good techniques and drills from some of our great local players and coaches from New Bedford High School Varsity

Basketball teams and members of the District Attorney's Office.

These clinics are totally free, sponsored by District Attorney Sam Sutter. All of our clinics are designed for boys and girls, beginners to all stars. This is a great way to get introduced to the great game of basketball during a lo-key, fun-filled clinic. Each player will receive a free give-away after the clinic and also have the ability to sign up for one of the local youth leagues from New Bedford.

Here is the Application and Waiver form. Please fill this out in its entirety and mail, fax or drop off at the address at the top of the registration form.
