

Targeted Ground Spraying Planned for New Bedford City Parks

The Bristol County Mosquito Control Project will conduct targeted ground spraying early on the morning of Thursday, June 25, 2015. This round of spraying will target areas including Buttonwood Park, Brooklawn Park, Fort Tabor, Hazelwood Park, Riverside Park, Clasky Park, Ashley Park and the Poor Farm area. Spraying will take place between 2:00 am and sunrise on Thursday morning, weather permitting. Residents in the vicinity of the targeted areas may wish to close their windows this evening prior to the spraying.

The Bristol County Mosquito Control Project has been conducting surveillance in our area to track the potential for EEE and WNV carrying mosquitoes. Mosquito traps are in place to collect additional pools of mosquitoes and monitoring of mosquito populations will be on-going to assess the effectiveness of the spraying effort.

Residents may request a ground spray by calling the Bristol County Mosquito Control project at (508) 823-5253, between 8:00am – 2:00pm (June – September), or contacting them by E-mail at RequestBristolMCP@comcast.net.
