

Taunton's Gene Hardy Flooring donates lunches to essential workers at Trucchi's

Last week, the folks at Gene Hardy Flooring ordered lunch for all the employees at both Trucchi's locations in Taunton.

The food was provided by Liberty & Union Ale House, a popular restaurant that's managed to adapt and stay up and running for takeout and delivery. A message on their Facebook page read "We are so grateful to GENE HARDY FLOORING INC. for donating delicious hot lunches from Liberty & Union Ale House to our hardworking team members in both of our Taunton locations. ♥️#YouveGotHeart."

Bravo to the essential employees out there making our lives a little bit easier and THANK YOU to the businesses supporting them and fighting hard to get through this.
