The Greater New Bedford unemployment rate is much higher than the rest of Massachusetts, but believe it or not there really are a lot of available for qualified applicants. Sometimes the barrier to a new job can be the lack of information on available job openings.

To solve this, each week New Bedford Guide will pull jobs from our **jobs database** to inform job seekers about the hottest jobs in the area.

We will define “Hot Jobs” as those jobs that need to be filled by the employer immediately. For those looking to search some large job databases, checkout my **Best Job Search Resources for New Bedford Residents article**.
