ABA Paraprofessional (SPANISH SPEAKING) – Bay Coast Behavioral – *Part-time*

Job Summary:

The Bilingual Applied Behavior Analysis (ABA) Paraprofessional is a high school diploma/bachelor's level behavior technician serving as the primary support for the behavior management plan devised by the Behavior Management Therapist (BMT). The ABA Paraprofessional records data according to the plan and direction of the Behavior Management Therapist (BMT) and reports changes or trends in clients' behavior as reflected in the data. The ABA Paraprofessional models specific interventions prescribed by the BMT and coaches and supports parents and other caregivers in the implementation of behavior change strategies. The ABA Paraprofessional is responsible for adhering to professional and legal requirements and principles as well as demonstrating sound professional judgment at all times. The ABA Paraprofessional is responsible for ensuring that each client receives the best care per program standards.

Job Duties of an ABA Paraprofessional include:

- Meet with the clinical team regularly to review treatment plan.
- Document client progress as well as behaviors.
- Model behavioral interventions to parents and participate in parent training procedures.
- Report to the clinical team.

- Ensure that treatment is provided in a safe environment.
- Maintain appropriate professional boundaries with families.
- Attend staff meetings and trainings as required.
- Basic Requirements of an ABA Paraprofessional: High School Diploma or GED and have (12) months of experience working with persons with developmental disabilities, children, and adolescents, transition age youth or families;
- OR an Associate's Degree in either a human, social, or educational services discipline, or a degree or certification related to behavior management, from an accredited community college or educational institution, and have (6) months experience working with persons with developmental disabilities, children, adolescents, transition age youth or families;
- OR a certification as a Registered Behavioral Technician (RBT) by the Behavior Analyst Certification Board and have (3) months experience working with persons with developmental disabilities, children, adolescents, transition age youth or families
- Must have Vehicle, no history of DUI, a year free of vehicle accidents, valid vehicle insurance, valid vehicle registration, and valid state inspection sticker.
- Bilingual: written & oral fluency in Spanish & English

EEO Statement:

As an equal opportunity employer, Bay Coast Behavioral seeks qualified candidates for all posted employment opportunities without regard of race, color, age, religion, gender, national origin, disability or veteran status.

Bay Coast Behavioral has been accredited by CARF for Outpatient Treatment (BH)! Accreditation is official recognition that our organization is guided by internationally recognized service standards and best practices.

Experience:

- Youth's behavioral/mental health: 1 year (Required)

Education:

- High school or equivalent (Required)

Language:

- Spanish (Required)

New Directions provides employment and training services to eligible youth ages 14-24 living in the Greater New Bedford area. State

funding for summer jobs is funded by YouthWorks, through the Commonwealth of Massachusetts, Executive Office of Labor and Workforce Development. The YouthWorks program is administered by the Commonwealth Corporation. For more information, please contact the New Directions Youth Annex, (508) 979-1700 or on Facebook at Greater New Bedford Youth Annex (New Directions).

Substitute Paraprofessional – New Bedford Public Schools

Para-educator services are required to support students with emotional/behavioral needs related to disabilities among substantially separate and inclusion classroom settings within a school. This para-educator may provide individual, group or classroom support and will work under the direction of teachers, consultants, related service providers, and in collaboration, other para-educators, and school-based personnel to meet the goals and objectives of students IEPs. Services may include addressing safety needs related to behavior management and support the development of social and emotional skills, sensory support and providing academic support to up to four students. Para-educators in this role will be trained to follow established behavior plans, that may require the ability to de-escalate behavior, deliver reinforcements and consequences, collect data, and physically restrain.

Such duties may require the physical ability to lift, hold, escort, and guide students. Para-educators in this position are asked to review student IEPs with teachers on a regular basis and employ universal precautions related to health and hygiene.
