

19 Things To Do This Weekend (July 25-July 27)

Sunny, sunny, and sunny sum up what this weekend's weather will be like. Sure, we may get a thunderstorm on Sunday, but that'll help drop the humidity a bit and make things tolerable. We'll hover around a high of 80 degrees throughout the weekend and a low of 59 degrees. Let's pack up the family or friends and head out and take advantage of the fanatastic weather!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month.
