

Two men overdose to death at same Bedford Towers apartment on Sunday

According to the Bristol County District Attorney's office, two men suffered from apparent fatal overdoses at the same time at Bedford Towers on Middle Street in New Bedford around 7 pm Sunday night.

The New Bedford Police Department received a 911 call from a woman who reported that two men were unresponsive in the kitchen. Police report that the two men were deceased when they arrived.

The victims are a 68-year-old New Bedford man and a 44-year-old Fall River man. Police report that both men were found deceased in the kitchen where a baggie with white powdery residue was found near them. Bristol County District Attorney's office are treating the deaths as fatal overdoses, but the toxicology report is still pending.
