

Two New Bedford residents pass away in Conway, NH accident

At 11:49am on Monday, the Conway New Hampshire Police Department responded to an accident involving a motorcycle with two passengers and a pickup truck.

The driver of the Harley Davidson Motorcycle, 57-year old David Oliviera and his 57-year old wife Cathy, both New Bedford residents, were making a left-hand turn when it collided with a Chevy Silverado 2500 pickup truck operated by a single occupant. Both the driver and passenger of the motorcycle were pronounced dead at the scene.

Cathy Oliveira was a teacher within the New Bedford Public School system. Conway Police said that neither alcohol nor speed appears to be a factor. Local residents complained that the intersection has been a dangerous one for years and that a light system was in need at the intersection as it is difficult to see motorcyclists coming down the road.

The Conway Police Department asks that anyone who may have witnessed the accident to contact the department at 603-356-5715.
