

UPDATE on Sheba's journey; Biopsy results of German Shepherd at the Fairhaven Animal Shelter

"We know everyone has been following Sheba's journey and everyone has been waiting on the news for her biopsy results.

The results came in and the tumors are benign! That is the best news we have received thus far. The next step is her first knee surgery will be coming up this week.

We wanted to thank everyone for the donations that we have received so far. If anyone feels compelled to donate checks or money orders can be sent to the shelter. Thank you so much for the well-wishes for Sheba, they paid off. #shebasjourney."
