

# Water Wizz Announces They Will Open For The Season On June 19th

In a welcome return to normalcy, **Water Wizz** of Wareham announced earlier today that they will be opening for the summer season on June 19th. As one of the most popular and closest family attractions in the greater New Bedford area, they were sorely missed last year. Tickets will go on sale on June 14th. Locals should also expect them to hang out a NOW HIRING sign shortly so if you or your kids are looking for seasonal work keep your eyes peeled and follow their Facebook page: <https://www.facebook.com/waterwizz>

We're still waiting for an announcement as it relates to any discounts or deals; for those who purchased tickets last year there is every indication that they will be honored in full. As capacity in the state continues to increase we should see a domino effect on outdoor attractions like Water Wizz. From their website: "Due to Covid restrictions we will have limited capacity for June and July. We ask that you visit our website daily to make sure we have tickets available on the day you are looking to visit. We greatly appreciate your patience and look forward to seeing you all this summer!"
