

Westport Fire Department receives two complete sets of “Jaws of Life”

“We recently took delivery of two new complete sets of Jaws of Life.

This state-of-the-art ‘grab and go’ equipment runs on Li-Ion batteries, providing extreme power and efficiency.

Members recently trained on the equipment during a session hosted by our vendor.

We thank all of those that supported this capital item request that allowed us to replace our existing outdated and decades-old equipment.

#westportma #holmatrorescue.”-Westport Fire Department.
