

Westport Police, Fire Departments hold summer cookout for kids at Westport Elementary School

"Westport Police and Firefighters hosted a summer cookout yesterday for students at the Westport Elementary School.

The kids had a great time and even got in on a little football with some of the police officers!

Special thanks to the Westport Elementary School staff and School Resource Officer Davis for putting this event together and to all the Westport Fire Department and Police Department members that helped out.

We'd also like to thank @leesmarketwpt for their donation to the event as well! We'll be back on Friday to grill up some more burgers for the remaining grades. #westportma." -Westport Fire Department.
