

# **Winslow School, New Bedford Police Chief Cordeiro and PBIS Ambassadors enjoy 1st annual Fall Festival**

"Winslow students enjoyed their first Fall Festival today.

They earned this wonderful school-wide incentive by following their school-wide expectations. The PBIS Team (Positive Behavioral Interventions and Supports) put on this event to encourage students to continue to do their best and follow the 3 B's (Be Responsible, Be Respectful & Be Ready to Learn).

Chief Cordeiro, PBIS Parents, and PBIS Ambassadors of Kindness volunteered to help run each station to ensure all students had a terrific time."-Kris Nightingale Pires.
