

Winter Storm Warning in effect for New Bedford beginning Sunday, February 7

The National Weather Service has issued a Winter Storm Warning for Southeastern Massachusetts including New Bedford in effect from 7:00 a.m. on Sunday, February 7 through 1:00 a.m. on Monday, February 8. The National Weather Service predicts total snow accumulations of 4 to 8 inches. Storm conditions including heavy snow are expected to make travel very difficult during parts of the storm.

Citywide Snow Emergency Parking Ban Effective at 6:00 a.m. on Sunday, February 7

In preparation for the approaching snowstorm, the City of New Bedford has announced a citywide snow emergency parking ban to take effect at 6:00 a.m. on Sunday, February 7. The parking ban will be strictly enforced and will remain in effect for 48-hours thereafter, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently remove snow from New Bedford roadways to permit public safety vehicles and residents to travel safely.

While the snow emergency parking ban is in effect, parking is permitted on the north side of all streets going east and west, and is permitted on the east side of all streets going north and south. The permitted side of the street is typically the side opposite of the fire hydrants.

Please note that on streets which are normally posted for parking on one side of the street only, residents are to obey the signs as usual.

Vehicles should never be parked within ten (10) feet of a fire hydrant or twenty (20) feet from a corner as required by law,

regardless of whether a snow ban is in effect, or not.

Double-sided Parking Ban Areas

To increase public safety during storm events, the areas designated for a double-sided parking ban include sections of five streets (listed below), in addition to the Downtown and Acushnet Avenue Business Districts where a double-sided ban has been in place in years past.

The street sections were selected because they are major routes for ambulances, school buses, and SRTA buses, and have a history of large vehicles being unable to successfully navigate due to the narrowness of the street.

During a snow emergency parking ban, no parking is therefore permitted on either side of the street in the following areas:

Wood St (Acushnet Ave to Belleville Ave)

Acushnet Ave (Tarkiln Hill Rd to Coggeshall St)

Nash Rd (Acushnet Ave to Belleville Ave)

Ashley Blvd (Nash Rd to Coggeshall St)

County St (Purchase St to Cove Rd)

Cottage St (Durfee St to Union St)

Mill St (Kempton St to Pleasant St)

Kempton St (Brownell Ave to Pleasant St)

The Downtown Business District (County St to JFK Blvd, Kempton St to Walnut St)

Dartmouth St (Allen St to Matthew St)

Rivet St (Dartmouth St to JFK Blvd)

Map and information on parking bans are available at:
<http://www.newbedford-ma.gov/traffic/snowbans/>.

Violations of the snow emergency parking ban will be subject to ticketing at \$50 per ticket and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle. The City of New Bedford has designated the following areas as preferred parking areas for those residents in need

of off-street parking while the emergency snow parking ban is in effect:

Victory Park – Brock Avenue

Hazelwood Park – Brock Avenue

Cove Street Parking Lot – Cove Street and Morton Court

Orchard Street at Camara Soccer Field

New Bedford Regional Airport

New Bedford Regional Airport will remain in operation unless otherwise announced. Passengers should contact their air carriers directly to confirm their flight status because widespread cancellations are expected.

Sand Available to City Residents at Several Locations

The Department of Public Infrastructure has made sand available to city residents at several locations throughout the city. Residents are advised to bring their own small container to collect the sand at any of the following locations:

Corner of Liberty Street and Smith Street
Brooklawn Park next to Brooklawn Senior Center
Morse Twist Drill site (Pleasant Street side)

State-run COVID-19 Testing Sites: Potential for Change to Schedules

The Stop the Spread COVID-19 testing sites administered by the Commonwealth of Massachusetts in New Bedford and elsewhere may announce changes to their schedules.

Project Beacon's appointment-only testing site at the Whale's Tooth Parking Lot has not yet made announcements about its testing site, but may announce changes to its schedule.
