

Woman injured after SUV crashes into Massachusetts restaurant

“This afternoon we were dispatched along with Sutton Fire and MedStar personnel to the Heritage Plaza for a report of a vehicle that drove into Schultzy’s Place restaurant.

A woman became trapped under a table as a result of the crash and was transported to UMass Memorial Medical Center in Worcester to be treated for her injuries.

The driver of the vehicle has been cited and the property owner along with the Building Inspector will evaluate the damage to see if any other businesses may be affected.” -Sutton Police Department.
